

# MOHITH PANDITI

+91 9391496810 ◇ Bapatla, Andhra Pradesh

[pmohtih0111@gmail.com](mailto:pmohtih0111@gmail.com) ◇ [LinedIn](#) ◇ [GitHub](#)

## SKILLS

---

Languages	Python, C, C++, HTML, CSS
Tools	GitHub , VSCode, Replit
Soft Skills	Problem Solving, Teamwork, Communication
Areas of Interest	Machine Learning, Data Science

## EXPERIENCE

---

<b>Machine Learning Intern</b> CodeWay	Jan 2024 - Mar 2024
<ul style="list-style-type: none"><li>Developed and implemented Machine Learning models for real-world applications including CreditCard Fraud Detection, Spam Detection, Movie Classification, enhancing predictive accuracy and automation for these tasks.</li><li>Gained hands-on experience with data preprocessing, feature engineering, and model evaluation using various algorithms, effectively contributing to optimizing machine learning pipelines and improving system performance.</li></ul>	

## EDUCATION

---

<b>BTech in AI and ML</b> , Vishnu Institute of Technology - Bhimavaram, Andhra Pradesh <b>CGPA:</b> 9.56 / 10 <b>Minor:</b> Mechanical Engineering	Expected 2026
---	---------------

<b>Intermediate</b> , Sri Chaitanya - Bapatla, Andhra Pradesh <b>Percentage:</b> 96.5%	2020 - 2022
---	-------------

## PROJECTS

---

**Deep Fake Detection.**[GitHub Link](#) Build a full stack web application using HTML, CSS, Firebase for login which classify whether the image is fake or not. The Deep Learning Neural Network resulted in 92% accuracy.

**EduSwap.**[GitHub Link](#) Developed a platform using React and Firebase that enables students to exchange skills within the college. The platform allows users to offer and request skills, fostering peer-to-peer learning and collaboration. Integrated Firebase for real-time database management and user authentication.

**Mentor Connect Platform.**[GitHub Link](#) Build the frontend using React for a platform that connects students with industry professionals. The platform facilitates mentorship, career guidance, and peer networking. Focused on enhancing student-professional engagement for career development.

## POSITIONS OF RESPONSIBILITY

---

- Build Club member in the college which was organised by IIT Madras Research Park.
- Idea Lab Member in the college which was organised by AICTE.

## ACTIVITIES

---

- Participated in Docathon conducted in our college.
- Completed AICETE internships on AIML, Gen AI.
- Completed Swecha Internship.
